

100Ω Precision Termination Resistor

- Part Number 040-0111
- Use with Network Test Balun 040-0092 or 040-0093
- Rugged plastic case and durable gold pin construction
- DC Resistance: $100\Omega \pm 0.1\%$ *
- Impedance: $100\Omega \pm 1\%$ from 1 to 650MHz *

Mechanical:

Schematic:

* Measurements based on HP4396B Network Analyzer using HP43961A RF Impedance test kit and HP16191A Test Fixture.
